Airport Pickup Instructions:

We will arrange airport pickup for all students upon arrival. If you plan to make different arrangements (such as being picked up by a family member or friend), you must inform us in advance and get approval from your parents and/or agency.

Flight Information:
Please send your full flight details to our Dorm Director, Shannon on WhatsApp, at +1 (316) 218-5824 at least one week prior to your arrival. However, we strongly recommend sending this information as soon as your flight is booked.

Arrival & Wait Time:
Depending on the number of arrivals scheduled around the same time, you may need to wait at the airport for 1–2 hours. This is normal and helps us coordinate pickups efficiently.
It is very important that you stay in communication with Shannon upon arrival.

Important:
If you arrive in the United States but will not travel directly to Wichita, you must inform us ahead of time. Since you are enrolled under Life Prep Academy's I-20, we are responsible for knowing your location before you arrive on campus.

If you have any questions or concerns, please contact Shannon directly.

Shannon West, Dorm Director. WhatsApp info.
