A NOTE OF *WELCOME*

Welcome to Life Prep Academy Student Housing! Your home away from home. We are excited that you're considering becoming a part of our Life Prep Family. Our passion is that every student who walks through our doors finds a place where they can grow, learn, and excel in ALL things. We know Christ has big plans for each of our students and we love that we get to be a small part of those plans.

Dorm life is a huge part of that journey. It's where friendships are formed, memories are made and independence is nourished.

Preparing our students for real life in a big world is a big part of student housing. Equipping students with the skills necessary to be successful in areas of life that may not be taught in a classroom and will follow them into their college years.

Our amazing team thrives on pouring out Jesus' love on each student while helping them navigate the struggles and challenges of being away from home, friends and family. We pray each and every student takes full advantage of all that our student housing has and embraces the community it offers.
